

Things to Know

- Please follow Hummingbird Pantry Distribution Time fb page for distribution dates.
 - We ask everyone to wait for the post. DO NOT call, text, message, or come to the pantry asking when we will start.
 - Tell others you know to follow Hummingbird Pantry Distribution Time fb page for start time and staging area. PLEASE do not tell people to come to the pantry to pre-register. This is a hazard and causes delays
 - WE ASK AND BEG everyone to turn off their engines while checking in and/or registering at staging. **When the volunteer approaches** your vehicle, please turn it off. The heat from the vehicles is overwhelming. We do not want any volunteer to experience heat stroke or heat exhaustion
 - If you have already registered, please have your new cards out and available
 - Still need to register, no worries. Volunteers will register you at staging. NO ID required. NO documentation required.
 - Make bathroom arrangement prior to arriving
 - Bring a book, crayons, and/or any positive activity to keep your mood positive
 - Follow all traffic instructions and obey the speed laws
 - Turn down your radios and refrain from cell phone usage. This will allow you to hear volunteers and read directional signs
 - Be Patient. Be Kind. Do Not Rush.

Thank you so much for your cooperation as we strive to end food insecurity in Brevard County
